BUSINESS TERMS

Terms are strictly cash with order. Crating is done at cost with a minimum charge of one dollar, for one or two plants, additional plants in proportion. All shipments are made express, collect F. O. B. Lacombe, La. We ship only healthy stock in good condition but do not guarantee plants to live as that depends upon conditions beyond our control. Grafted plants vary in value in proportion to the size of the understock. Grafts on small, young, understock are not as desirable as those on larger and older understock. We ship no plants on understock under three years old and most of our grafts are on understock much older. Due to conditions beyond our control grafts occasionally do not bloom true in color. We guarantee the scion as to variety only.
